

Thinking out loud

D G A
When your legs don't work like they used to before
D G A
And I can't sweep you off of your feet
D G A
Will your mouth still remember the taste of my love
D G A
Will your eyes still smile from your cheeks

D G A D G A
And darling I will be loving you till we're 70
D G A D
And baby my heart could still fall as hard at 23
G A
And I'm thinking bout how

Em A D
People fall in love in mysterious ways

Maybe just the touch of hand

Well me I fall in love with you every single day
Em Ax5
And I just wanna tell you I am
D
So honey now..

G A D
Take me into your loving arms
G A D
Kiss me under the light of a thousand stars
G A D
Place your head on my beating heart

I'm thinking out loud

Bm A G D Em A D
And maybe we found love right where we are

And when my hair's all but gone and my memory fades
D G A
And the crowds don't remember my name
D G A
When my hands don't play the strings the same way
D G A
I know you will still love me the same

D G A D G A
Cause honey your soul could never grow old it's evergreen
D G A D
And baby your smile's forever in my mind and memory
